

## **DID YOU KNOW THAT...**

**Over the past twelve months  
(October 2015 – September 2016)  
2666 Patients at South Park Surgery  
did not attend their appointments.  
These wasted resources cost the service  
approximately £53320**

**This avoidable waste has had a considerable  
impact both on other Patients ability to get a  
GP appointment within a reasonable waiting  
time and also on the availability of funding  
for other health services.**

**Therefore, we would appreciate it if you could  
let us know as early as possible when you no  
longer need your appointment. Please also  
ensure that we always have your most  
up-to-date landline and mobile telephone  
numbers. Thank you.**
