

# Public Consultation

Eastern Cheshire, South Cheshire  
and Vale Royal Adult & Older People's  
Specialist Mental Health Services

**6<sup>th</sup> March – 29<sup>th</sup> May 2018**

**#JoinTheConversation**

## Service users have told us they:

- **“deserve to thrive, not just survive”** – more personalised care that responds to individuals’ needs
- **require 24/7 care** which is not just available at A&E
- **do not want to be admitted to hospital** unless it is absolutely necessary
- want services, **where possible, to be kept local.**

That’s why we have developed a **proposed model of care** that puts **early intervention** and **prevention** at the **heart** of **specialist mental health services.**

### Our proposed new model of care will provide:

- an **improved community mental health service** that helps people get better more quickly and prevents hospital admissions
- a **local 24-hour crisis support** service for people who are unwell
- a **dementia outreach service** that visits people in their own homes
- an **improved experience** for people who need hospital care.

### You can join the conversation and have your say on our proposals by:

- completing the online questionnaire at **[www.easterncheshireccg.nhs.uk](http://www.easterncheshireccg.nhs.uk)**
- booking onto **one of our three remaining public events** where you can have your say: **[tinyurl.com/adultmentalhealthevents](http://tinyurl.com/adultmentalhealthevents)**

Venue	Date	Time
Macclesfield Town Football Club, Macclesfield	03/05/2018	14:30
Canalside Conference Centre, Middlewich	04/05/2018	14:30
Macclesfield Town Football Club, Macclesfield	23/05/2018	18:30

- emailing **[mlcsu.consultation@nhs.net](mailto:mlcsu.consultation@nhs.net)** or calling freephone **0808 169 1189** if you need a paper copy of the consultation document.
